

53rd Annual Meeting
Banff Centre, Banff Alberta
April 15-18, 2010

Membrane Proteins in Health and Disease

Come join us for some outstanding science in an inspiring setting, at the peak of the spring ski season of Canada's Rocky Mountains!

Satellite Meetings on Bicarbonate Transporters and on Sodium/Proton Exchangers

Keynote Speaker

Gunnar von Heijne, Stockholm University

Membrane Protein Trafficking / Folding

Ron Kopito (Stanford)
Emmanuelle Cordat (U Alberta)
Franck Duong (UBC)
David Andrews (McMaster U)

Regulation of Membrane Proteins

Joachim Deitmer (Technical U of Kaiserslautern)
Daniela Rotin (U of Toronto)
Jonathon Lytton (U of Calgary)
Larry Fliegel (U of Alberta)

Membrane Proteins in Non-Mammalian Species

Ekkehard Neuhaus (U Kaiserslautern)
Dean Price (Australian National University)
Etana Padan (Hebrew U Jerusalem)
Janet Wood (U of Guelph)

Membrane Protein Structure

Joanne Lemieux (U Alberta)
Da Neng Wang (New York U)
Jeff Abramson (UCLA)
Francisco Bezanilla (U of Chicago)

Diseases of Membrane Proteins

Elaine Leslie (U of Alberta)
Gergely Lukacs (McGill U)
Steve Somlo (Yale)
Sven-Eric Jordt (Yale)
